Livestock protection

## Covershade™ is tough under the sun

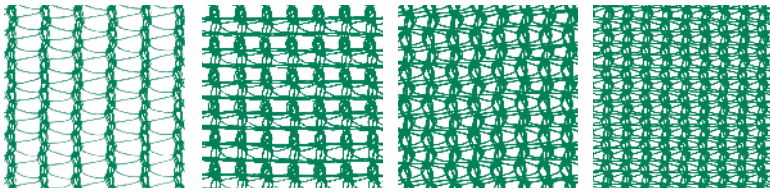

Covershade™ is a premium-grade knitted shade cloth renowned for its durability and versatility. With decades of proven performance, this trusted brand is ideal for shading, screening, covering, and protecting a variety of applications, including agriculture (food crops and large scale farming), horticulture (flowers and gardens), livestock, and equipment.

Its versatility extends to over-the-road truck tarps, trash truck covers, scaffold coverings, site screening, windbreaks, and vehicle protection. Manufactured with premium UV stabilizers, Covershade™ ensures long-lasting resilience and effectiveness in even the harshest conditions.

## Covershade™ is strong, flexible and versatile

Covershade™ comes in a range of colors, sizes, shades & UV constructions. Covershade™ complies with and exceeds Australian standard AS4174.1994.
